Dr. Devine,

New York School of Philanthropy.

Dear Dr. Devine:

I am glad to inform you that yesterday at a meeting of the Board of Governors Dr. Franklin Johnson was appointed Director of our courses in social service in accordance with the terms of a gift by a lady of Toronto. I have to thank you very much for the trouble you have taken in this matter, and believe from what I have seen of Dr. Johnson as well as from your own and Dr. Gibbings' opinion that we are very fortunate in securing him.

Our Professor of Political Science, Dr. James Mavor, is acquainted with you I believe. Possibly you may find time to write him a note introducing Dr. Johnson to him as a great deal of Dr. Johnson's work will be in co-operation with Professor Mavor.

With kind regards, I am,

Yours sincerely,

President.
